LEDGER

WEEKLY REPUBLICAN—1887.
DAILY PUBLIC LEDGER—1888.

MAYSVILLE, KY., FRIDAY, SEPTEMBER 15, 1905.

ONE COPY—ONE CENT.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 63, and let us have it.

Kinny has skipped out. Where is he?

Taylor at Washington pays 20 cents for eggs.

Mr. S. B. Chinn is expected home today from his trip West.

Dr. C. F. Evans is to preach Sunday at his new charge at Carlisle.

Captain John T. Martin received \$14,000 for his Hill City pike farm.

There is some talk of reorganizing the Odd-fellows Lodge at Carlisle.

The State Development Convention is to be held in Louisville October 10th, 11th and 12th.

Miss Porter Perrie now has a lucrative position with Marshall Field & Company in Chicago.

Mr. Jerry Jett, a prominent farmer of near Germantown, was found dead in bed at his home Monday.

Mrs. Fannie Mikel returned from Cincinnati and will take her old position as trimmer for Mrs. A. Archdeacon this season.

Mr. Richard Schwartz, the West Second street steak dealer, has bought the meat shop and residence of P. M. Heller at Vanceburg.

Mr. C. T. Marsh has filed his bond with the County Court as Treasurer of School District No. 34, with W. F. Power and William Troutt as sureties.

Farmer Fred Baner, who knows just how it is himself with the needy Printer Man, has thanks for a sack of the finest roasting ears that ever grew in the county.

Albert Harry, indicted with Mrs. Belle Rayborn for the murder of John Rose at Eipworth, went to Vancoburg from Portsmouth a few days ago and gave himself up, but was released on \$3,000 bond.

Mr. T. F. Griffin, Freight Agent of the L. and N., was in the city yesterday looking after the interest of his road. Accompanied by Councilman Ficklin he was making the acquaintance of our merchants and shippers.

I have now in my employ a very capable workman. We will give special attention to watch, clock and jewelry repairing of all kinds, promising prompt attention and low prices. P. J. MURPHY, the Jeweler.

The McEwan brothers, here on a visit to the family of their uncle, Major John Walsh, of East Second street, bought a pair of match bay harness horses from Colonel W. W. Baldwin for which they paid \$1,500. They were beauties, if they did come high.

Miss Florence Wilson, teacher in the Fourth Ward School, has a state certificate, and in her examination she had an average of 95. Miss Wilson is a graduate of the Maysville High School and the high grade accorded her speaks well for the young lady as well as the school.

A telegram was received here yesterday announcing the death of Mr. Thomas Adamson in Cincinnati Wednesday. Deceased leaves a wife and two children. Mrs. Adamson was formerly Miss Ella Blies, sister of Mrs. Simon Nelson of East Second street. The remains will arrive today on the 1:35 train and the interment will be in the Maysville Cemetery.

The continued good houses that are greeting the Lyceum Comedy Company at the Opera-house give evidence that the players and the playas are satisfying the people. Tonight "Rip Van Winkle" will be presented, and the management decided to again extend to the ladies the courtesy of free tickets under the usual conditions, if seats are purchased before 7 p.m.

Relatives of the two men, Broard and Hughes, charged with a serious offense, were in the city yesterday trying to patch up a truce to further litigation. They stated the reason the accused eluded the officers was because of a report reaching them that a mob awaited their arrival here to lynch them. They were assured such was not the case, and it is likely the men will come in and give themselves up.

In this impression of THE LEDGER will be found the announcement of "Squire" John Ryan of Washington as an independent candidate for the Legislature. Mr. Ryan is no stranger to the people of Mason county. For several years he was a member of the Fiscal Court, always the friend of the tax-payers, and was subsequently Superintendent of the County Infirmary, conducting the affairs of that institution to the satisfaction of the people. If elected, he will serve the county honestly.

"ONE OF THE FEW!"

How Judge Coons Greeted Judge Parker at Yesterday's Meeting

The presence here yesterday of Judge Alton B. Parker, who had come to argue an important case before Judge A. M. J. Cochran in the Federal Court, very naturally attracted a large number of persons who were desirous of seeing the late Democratic candidate for the Presidency.

This desire was not confined to Democrats alone, many Republicans paying their respects to the Judge, whom every American citizen should delight to honor.

Among the former, however, was Judge William P. Coons, whose Democracy is almost equal to his religion, and here's about the way the compliments followed the introduction—

"I am much pleased to meet you, Judge," said Mr. Coons, shaking the hand of Mr. Parker, "and to assure you that I was one of the few who voted for you."

DOLEFUL DREAM

A Colored Citizen Laments the Lack of "Enthusiasm"

George Campbell, the black janitor at the Mayor's office, is in a peck of trouble, and all on account of a dream.

George's mind is disturbed over the undue quietness in matters political. The colored politician has forebodings in regard to the monetary outcome of this uneasy state of affairs on election day.

Yesterday, while resting on a seat afforded by the water-table of the Presbyterian Church, he accosted a passerby with—

"Say, boss, I had a dream the other night and I don't like the color of it."

"What's your trouble, George?" interrogated the gentleman.

"Well, boss, it's this way; you Gold Democrats and Republicans have 'fused' together and there ain't going to be any money in the pot for us fellows. You'll sandwich a Republican here and a Democrat there, and the jig is up with us poor devils."

"No, sir; there won't be any money on the market election day. I seed the whole business in my dream."

FEDERAL COURT

How Judge Alton B. Parker Impressed His Hearers

When Judge Cochran opened the Federal Court yesterday morning the Courthouse was well filled by prominent citizens, together with quite a number of ladies who graced the occasion by their presence.

The stellar attraction was Judge Alton B. Parker, a distinguished lawyer and late Democratic candidate for President, who appeared as counsel in a cause of national importance.

Judge Parker is a large, portly gentleman of commanding presence, is a fluent, graceful and entertaining speaker, and a learned exponent of the law.

He argued in a terse, forcible and convincing manner, backing up his assertions with law and facts.

In addressing the Court he had the profound attention of the assemblage.

Hon. Frank Reed of Chicago is a noted patent lawyer, and on this occasion was conversant and perfectly at home with the matter before the Court.

After the arguments were concluded Judge Cochran announced that owing to the prime importance and far-reaching questions involved he would take time to digest and give subject his careful thought before rendering a decision.

The cause of the Tugger Lumber and Land Co. v. Mineral Development Co. was settled.

The cause of Embry v. Estill county will be heard at another time.

HORACE J. COCHRAN, President.

THAT'S a decidedly "Holy War" in Caucasia which prompts its participants to throw the mutilated bodies of children to dogs.

THE caliber of the average Union Labor "Striker" of modern build is aptly illustrated by the outbreak at Newport this week. It will be recalled that there was a bitter struggle about a year ago between the owners and operatives of the Newport Rolling Mill. With the merits of that controversy, this writing has nothing to do. There were repeated scenes of turbulence, and the owners found no protection at the hands of the Police, for the reason that the latter were dominated by the Labor Leaders. Finally, the owners agreed to "sell out" the plant to the strikers, and after much difficulty the workmen formed a co-operative organization, raised the necessary funds, bought out the arrogant "bosses," and the latter crossed to Cincinnati, I believe, and started another shop. Now for the sequel. A few days ago the "scrap pilers"—a part and parcel of the stockholders in the Mill—demanded more pay! The former strikers, now converted into "bosses," had learned that business had to be conducted on a purely dollar-and-cent basis, and the demand was refused. The scrap pilers immediately struck. Shortly afterward, the mutual bosses agreed to take part of them back, but they wouldn't hit a lick until every one in the bunch was given his old job. And here is the anomaly of a lot of men striking against themselves! Wonder what sized dividends the striking stockholders will draw on their shares in this wonderfully constricted co-operative concern?

OPERATIONS AVOIDED

Two Grateful Letters from Women Who Avoided Serious Operations.—Many Women Suffering from Like Conditions Will Be Interested.

When a physician tells a woman, suffering from ovarian or womb trouble, that an operation is necessary, it, of course, frightens her.

The very thought of the operating table and the knife strikes terror to her heart. As one woman expressed it, when told by her physician that she must undergo an operation, she felt that her death knell had sounded.

Our hospitals are full of women who are there for ovarian or womb operations!

It is quite true that these troubles may reach a stage where an operation is the only resource, but such cases are much rarer than is generally supposed, because a great many women have been cured by Lydia E. Pinkham's Vegetable Compound after the doctors had said an operation must be performed. In fact, up to the point where the knife must be used to secure instant relief, this medicine is certain to help.

The strongest and most grateful statements possible to make come from women who, by taking Lydia E. Pinkham's Vegetable Compound, have escaped serious operations.

Margrite Ryan, Treasurer of St. Andrew's Society, Hotel English, Indianapolis, Ind., writes of her cure as follows:

Dear Mrs. Pinkham:—

"I cannot find words to express my thanks for the good Lydia E. Pinkham's Vegetable Compound did me. The doctor said I could not get well unless I had an operation for ovarian and female troubles. I knew I could not stand the strain of an operation and made up my mind I would be an invalid for life. Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills."

Hearing how Lydia E. Pinkham's Vegetable Compound had saved other women from serious operations I decided to try it, and less than four months I was entirely cured; and words fail to express my thankfulness."

Miss Margaret Merkley of 275 3d Street, Milwaukee, Wis., writes:

Dear Mrs. Pinkham:—

"Loss of strength, extreme nervousness, severe shooting pains through the pelvic organs, cramps, bearing down pains, and extreme irritation compelled me to seek medical advice. The doctor, after making an examination, said that I had ovarian trouble and ulceration, and advised an operation as my only hope. To this I strongly objected—and I decided as a last resort to try Lydia E. Pinkham's Vegetable Compound."

"To my surprise the ulceration healed, all the bad symptoms disappeared, and I am once more strong, vigorous and well; and I cannot express my thanks for what it has done for me."

Ovarian and womb troubles are steadily on the increase among women—and before submitting to an operation every woman should try Lydia E. Pinkham's Vegetable Compound, and write Mrs. Pinkham at Lynn, Mass., for advice.

For thirty years Lydia E. Pinkham's Vegetable Compound has been curing the worst forms of female complaints, all ovarian troubles, inflammation, ulceration, falling and displacement of the womb, leucorrhœa, irregularities, indigestion and nervous prostration. Any woman who could read the many grateful letters on file in Mrs. Pinkham's office would be convinced of the efficiency of her advice and Lydia E. Pinkham's Vegetable Compound.

A FOOLISH PLAN

"Tis a joy to eat—I welcome my dinner hour; Because I rout indigestion with August Flower! Constipation is the result of indigestion, biliousness, flatulence, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself."

"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."

"What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills."

"August Flower gives new life to the liver and insures healthy stools."

"Two sizes, 25c and 75c. All druggists."

Mr. A. R. Burgess of Kansas City arrived last evening.

Miss Josie Kilpatrick gave an outing last evening on the Texas Kloochman in honor of her guests, Misses Dummitt Kilpatrick and Agnes Williburn. About ten couples enjoyed a ride to Manchester where they were met and escorted to the home of Miss Hall and the evening spent in dancing. They returned home about two o'clock this morning.

At Pawee Valley near Louisville, yesterday, a horse attached to a surrey occupied by Mrs. J. M. Kirk and two children and a visitor, Mrs. Thompson, of Texas, was probably fatally injured by contact with a live electric wire. The wire fell against the trolley wire of an interurban road and struck the horse, knocking it down and inflicting burns. The occupants of the surrey escaped injury. Mrs. Kirk is the wife of Mr. John M. Kirk, Traveling Freight Agent of the Rock Island System, who is frequently in Maysville, stopping over here for a short while Wednesday.

STEWART—ROSENHAM.

Last evening at 6:45 the delightful home of Colonel and Mrs. Charles L. Rosenham of West Fourth street was the scene of a quiet, pretty wedding.

The occasion was the marriage of the Colonel's handsome and accomplished daughter, Miss Bertha, to Mr. A. B. Stewart, a prominent young business man of Atlanta, Ga.

The home was appropriately and becomingly decorated in honor of the most important event in the lives of the contracting parties.

Promptly at the appointed hour Rev. C. W. Chadwick of the First Baptist Church performed the marriage ceremony in an impressive and touchingly beautiful manner, after which a wedding supper was served.

The happy groom and bride will leave tomorrow morning for their future home in Atlanta, carrying with them best wishes of a host of friends in this city.

MURK VIGOR. Gives to gray hair all that soft, dark, rich color so natural to early life. Checks falling hair; keeps the hair soft and smooth, and prevents splitting at the ends. J. C. Ayer Co., Lowell, Mass.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonial.

Wouldn't any woman be happy

No reason why any Maysville reader
Should suffer in the face of evidence like

Mrs. Lizzie Burns, living on the Blue

Turnpike, West End, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills which
expressed through our newspapers in the
spring of 1900 has not altered. I value the
preparation more highly today than I did when
I gave my first testimonial. Before I got
Doan's Kidney Pills at J. James Wood & Son,
Druggists I was troubled with severe
of backache but kidney complaint
came on every three or six months, and
were times when I was confined to bed
and rendered almost helpless. The quick
decided benefit I received from Doan's K.
Pills was wonderful. I have noticed a
return of backache since, but an open
Doan's Kidney Pills has never failed to
and positively check the trouble. In
case I know among my friends when
Kidney Pills have been used the result
always been satisfactory."
